TWEED SUITS

*A remarkable underpriced purchase
offered to our patrons at a saving
sure to create enthusiastic buying*

\$20

Beautiful and captivating tweeds, admirable homespuns. Tailored along those looked-for mannish lines that are so much in demand at this present moment. Shoulders and sleeves that snug---lines that might be called faultless.

*The style illustrated, at the right, by our
artist is just one of the many smart new
effects---All are neatly lined with silk.*

The "Chappy" model, with a few rows of stitching along the bottom---it is a one-button effect that takes mannish lines. Then there are others in box or belted styles. A few are fashioned with two-seam backs, which gives that desired smart, semi-fitting effect.

*Choose from a flower garden of spring colors such
as Orchid, Copenhagen Blue, Gray, Brown, Wood
and Tan. Sizes for Women and Misses, at \$20.*
